Leadership fantasy like never before

Be a real leader. Fight among your origami troops and shout (yes, physically!) your orders as you battle in a dramatic struggle the dy^{INK} paper archipelago. Let your real-life (Twitch) followers be a part of the adventure!

Striking Ink & Paper World

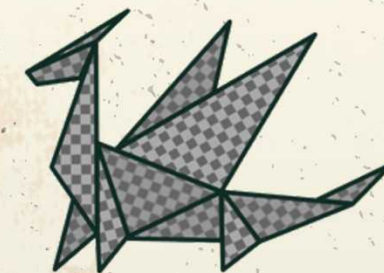

Our game's world is a careful composure of the thriving 2D paper samurai culture and the sinister yet stylized flood of the 3D enemies that ^{INK}fect the world.

Nuanced blend of genres

Paper Blades is a true **combo!** We're folding together the snappy and fun aspects of the action-roguelikes with the responsible, yet immediate decision-mak^{INK} of the RTS genre.
